

Edunakho

PRIVACY AUDIT

- **Certified since** 03 September, 2021
- **Date of issue** 29 April, 2026
- **Reinspection** 29 April, 2027

Basic Certificate

A privacy audit has been performed on the website of Edunakho by Privacy Verified. Edunakho declares to guarantee the privacy of its customers by complying with the points below. A reinspection by Privacy Verified takes place annually to check whether the website still complies with the points below.

- **Adhering to the standards of privacy by design and by default**
The website is designed in accordance with the standards of privacy by design and by default. The basic settings are privacy proof.
- **Only necessary personal information is collected**
There is no more personal information collected than needed or necessary.
- **Cookies are placed and used in a correct way**
Website visitors are properly informed through a cookie statement and they are asked consent where needed for the use of cookies. A cookie banner is used when needed.
- **Informing website visitors / customers**
The website visitors are properly informed every time they leave their personal information. Also, there is a privacy statement in place that explains how personal data is processed.
