PRIVACY VERIFIED

MasterTube B.V.

A privacy audit was carried out by Privacy Verified for the websites of MasterTube (www.mastertube.com, www.mbatube.com, www.mbagradschools.com, www.mastergradschools.com). MasterTube declares that it safeguards the privacy of its customers by complying with the following points below. Privacy Verified conducts a yearly reinspection in order to check whether MasterTube continues to abide by these points.

MasterTube asks permission for cookies correctly.

Personal data is not used (without permission) for purposes other than those for which it was collected.

MasterTube asks permission to receive the newsletter correctly.

MasterTube informs data subjects clearly via a privacy statement for which purposes personal data is processed.

Stichting Certificering supervises the certification and issuance process of Privacy Verified.
